

Hi my name is Grace Larrea I started synchro in the Aquacade at age 7 and joined SOS in 2000, the inaugural year. I have been coaching with the team for about 6 years now and I love it!

I attended the University of California Irvine and graduated with a BA in Political science and minored in Anthropology. I'm currently working on getting into Law School and becoming an environmental lawyer.

I have a dog named Bandit who is a German Shepherd mix, I rescued him from the pound. He is basically my whole world.

My favorite color is orange and my favorite movie of all time is Lady and the Tramp. I enjoy everyday of my life as much as possible. Life is a gift and I love unwrapping it to see what the day will hold.
